Subject: Price Offer & Technical Specification of RO Materials

Dear Sir,

With reference to our previous discussion, we are sending you the offer of WTP Materials with technical specifications including the price, terms & conditions for your kind consideration.

Now we are providing wide-ranging Iron Removal Media - **KATALOX LIGHT**, manufactured from **Germany**, it has the removal capacity of arsenic, other heavy metals, color, and taste.

We hope you will find our offer competitive in line with the requirements.

Thanking & assuring you of our best services at all the time.

With kind regards.

Syed Abu Sadath
